Dear Mr. Boulder,

I am writing to you to express my interest in working for Sausages R Us Ltd within your development department. Having recently graduated with a BSc (Hons) in Food Science and Technology from The University of Food, I am now looking to apply the knowledge I have acquired into the workplace.

I am dedicated, hardworking and enthusiastic with a strong passion for food. During my studies I undertook a range of relevant modules within development and process. In addition I also spent a placement year within the development department of the ready meals manufacturer Tasty Dishes Ltd, helping to take products through from concept to launch. I am creative, experienced in working to deadlines and have also had experience of dealing within the major UK retailers. I therefore believe that I have many skills that could benefit Sausages R Us.

Thank you for taking the time to consider this speculative application. I would welcome the opportunity to meet with you and explain more about how I feel that I can add value and contribute to the continued success of Sausages R Us.

I look forward to hearing from you in the near future regarding my application.

Yours sincerely,

(Signed)
